

July 23, 2025

William Davis  
Vice Provost  
Washington State University  
PO Box 641048  
Pullman, Washington 99164

Dear William:

The following proposed program with new courses that represent a significant departure (25% or more aggregate change) from programs previously approved has been reviewed as a minor change and approved effective July 23, 2025, under the Northwest Commission on Colleges and Universities' (NWCCU) Policy on Substantive Change:

- Master of Science (MS) Interdisciplinary Studies (30 Semester Credits to be delivered via face to face and distance education)

Accordingly, this program is now included under the accreditation of Washington State University.

Thank you for keeping NWCCU apprised of the developments at Washington State University.

Sincerely,

Teresa Rivenes  
Senior Vice President, NWCCU
