All,

I did my weekly sweep of the NWCCU Program Inventory this morning, and I'm pleased to announce that the BA Economic Sciences degree is officially approved by NWCCU (see below for a NWCCU Portal screen shot). Since this was a Portal Notification, we will not receive a formal letter from the accreditor, and we should use the degree's "Approved" status in the portal for our institutional records.

The degree can now be implemented by the program at your earliest convenience, and internal and external advertisement can begin at any time.

Best,
Bill
