

MEMORANDUM

TO: Faculty Senate

FROM: Chair of the Faculty Affairs Committee

RE: Updates to *Faculty Manual* Updates to references the Office of Commercialization

DATE: December 4, 2025

The University has updated the names of several subunits within the Office of Research. For example, the “Office of Commercialization” is now titled “Office of Research – Innovation & Entrepreneurship.”

It is recommended that the Faculty Manual be revised to reflect these changes in the January 2026 publication.
