

WASHINGTON STATE UNIVERSITY  
**College of Nursing**

December 10, 2025

Dear Faculty Senate,

This notice serves as formal communication of intent from the College of Nursing to close the following program plans effective immediately. The closures are being implemented because the program tracks have either experienced consistently low enrollment and/or have not been open for student enrollment for several years, making continuation impractical and misaligned with organizational priorities.

Each of the program plans listed below are not currently advertised to students, and any students that are currently matriculated in the plans will complete their program of study during the 25/26 AY. Therefore, a transition plan supporting any currently enrolled students will not be necessary.

Sincerely,

A handwritten signature in black ink that reads "Anne M. Mason".

Anne M. Mason, DNP, ARNP, PMHNP-BC

Interim Dean
