Type of Drop Action	Discontinue (permanent)
Effective Date	Fall 2026

Contact and Approvals

Dept POC	Daniel Thornton
POC Email	daniel.thornton@wsu.edu
POC Phone	+1 (509) 335-3713

Rationale to drop **P6670 – MS in Natural Resource Sciences**:

This program is no longer offered by School of Environment. School of Environment now offers an MS in **Environmental and Natural Resource Sciences**, which supersedes the old program. No students are currently enrolled in P6670 or will be in the future. Hence, we want to discontinue this program. There are no budget implications of this change.
