

GRADUATE MAJOR CHANGE BULLETIN NO. 8

Spring 2026

Course information under the heading titled *Current* will show strikethroughs for deletions, and text under *Proposed* will show underlines for additions. The column to the far right indicates the date each change becomes effective.

Subject	Course Number	New Revise Drop	Current	Proposed	Effective Date
CHEM	514	Revise	Mass Spectrometry 2 Current methods, techniques and interpretation of mass spectrometric analysis. Recommended preparation: CHEM 425 or equivalent. Typically offered Spring.	<u>Mass Spectrometry 3</u> Current methods, techniques and interpretation of mass spectrometric analysis. Recommended preparation: CHEM 425 or equivalent. Typically offered Spring. Syllabus: https://wsu.instructure.com/courses/1910151	8-26
CHEM	517	Revise	Chromatography 2 Survey of major forms of chromatography, operating principles of common chromatographic detectors, and current case studies. Recommended preparation: CHEM 425 or equivalent. Typically offered Odd Years - Spring.	<u>Chromatography 3</u> Survey of major forms of chromatography, operating principles of common chromatographic detectors, and current case studies. Recommended preparation: CHEM 425 or equivalent. Typically offered Odd Years - Spring. Syllabus: https://wsu.instructure.com/courses/1909657	8-26
CHEM	518	Revise	Electrochemistry 2 Execution and interpretation of a variety of interfacial electroanalytical techniques. Recommended preparation: CHEM 425 or equivalent. Typically offered Fall and Spring.	<u>Electrochemistry 3</u> Execution and interpretation of a variety of interfacial electroanalytical techniques. Recommended preparation: CHEM 425 or equivalent. Typically offered Fall and Spring. Syllabus: https://wsu.instructure.com/courses/1910153	8-26
MUS	556	Revise	Music Composition V 2 (1-2) to 3 (1-4) May be repeated for credit; cumulative maximum 10 credits. The creation of works for either traditional acoustic ensembles or electro-acoustic media. Typically offered Fall and Spring.	<u>Music Composition V 2 (0-3) to 3 (0-9)</u> May be repeated for credit; cumulative maximum 10 credits. <u>The creation of works for either traditional acoustic ensemble or digital media.</u> Typically offered Fall and Spring. Syllabus: https://wsu.instructure.com/courses/1880059	1-27
SHS	557	Revise	Cleft Palate and Craniofacial Disorders 1 Speech and voice	<u>Pediatric Special Populations in Speech Language Pathology 2</u>	5-26

			problems associated with clefts of the lip and palate. SHS graduate student; all undergraduate prerequisite courses completed.	Speech and voice problems associated with clefts of the lip and palate. SHS graduate student; all undergraduate prerequisite courses completed. Syllabus: https://wsu.instructure.com/courses/1911139	
SHS	564	Revise	On-Campus Clinical Practicum V 2-6 May be repeated for credit; cumulative maximum 15 credits. Clinical practice in the evaluation and treatment of speech, language, and hearing disorders. SHS graduate student; all undergraduate prerequisite courses completed. S, F grading.	On-Campus Clinical Practicum V 1-4 May be repeated for credit; cumulative maximum 15 credits. Clinical practice in the evaluation and treatment of speech, language, and hearing disorders. SHS graduate student; all undergraduate prerequisite courses completed. S, F grading. Syllabus: https://wsu.instructure.com/courses/1902242	5-26
SHS	566	Revise	Off-Campus Practicum Public School Setting V 2 (0-6) to 6 (0-18) May be repeated for credit; cumulative maximum 15 credits. By departmental consent only; minimum grade of B in SHS 575 or a grade of S in SHS 566 or SHS 568 in the prior semester or summer term, and a minimum grade of C in all prior SHS graduate coursework. Advanced clinical practice in a public school setting; evaluation and treatment of speech, language, and hearing disorders. SHS graduate student; all undergraduate prerequisite courses completed. S, F grading.	Off-Campus Practicum Public School Setting V 1 (0-3) to 4 (0-12) May be repeated for credit; cumulative maximum 15 credits. By departmental consent only; minimum grade of B in SHS 575 or a grade of S in SHS 566 or SHS 568 in the prior semester or summer term, and a minimum grade of C in all prior SHS graduate coursework. Advanced clinical practice in a public school setting; evaluation and treatment of speech, language, and hearing disorders. SHS graduate student; all undergraduate prerequisite courses completed. S, F grading. Syllabus: https://wsu.instructure.com/courses/1913378	5-26
SHS	568	Revise	Off-campus Practicum Clinical Setting V 2 (0-6) to 6 (0-18) May be repeated for credit; cumulative maximum 15 credits. By departmental consent only; minimum grade of B in SHS 575 or a grade of S in SHS 566 or SHS 568 in the prior semester or summer term, and a minimum grade of C in all prior SHS graduate coursework. Advanced clinical practice in an off-	Off-campus Practicum Clinical Setting V 1 (0-3) to 4 (0-12) May be repeated for credit; cumulative maximum 15 credits. By departmental consent only; minimum grade of B in SHS 575 or a grade of S in SHS 566 or SHS 568 in the prior semester or summer term, and a minimum grade of C in all prior SHS graduate coursework. Advanced clinical practice in an off-campus clinical/medical setting; evaluation	5-26

			campus clinical/medical setting; evaluation and treatment of speech, language and hearing disorders. S, F grading.	and treatment of speech, language and hearing disorders. S, F grading. Syllabus: https://wsu.instructure.com/courses/1913424	
VET MED	547	New	--N/A--	Diagnostic Challenge 1 (0-3) Course Prerequisite: Completion of first two semesters of the veterinary professional curriculum. A series of experiential exercises culminating in 2-week simulation exercises in the fall of year 2 of the professional curriculum in week 8 and week 12 or 13. Typically offered Fall. S,M,F grading. Syllabus: https://wsu.instructure.com/courses/1911273	8-26
