

MEMORANDUM

TO: Faculty Senate

FROM: Chair of the Faculty Affairs Committee 

RE: Updates to *Faculty Manual* Section I.B.1 to I.B.5 Tracks and Titles

DATE: April 1, 2026

The Faculty Affairs Committee updated the ranks and titles to include the new laureate rank. After consulting with CAHNRS Associate Dean and Extension Director Vicki McCracken, we added an extension sub-track to the career track options. Additionally, we updated the sections on working titles in the career track to allow colleges to have more flexibility in choosing working titles and to be consistent across all sub-tracks.
