Dear Dean Meehan,

On behalf of Bill Davis (the university's accreditation liaison officer), I am writing to confirm that NWCCU has officially suspended the following two degrees:

- Bachelor of Arts in Comparative Ethnic Studies
- Bachelor of Arts in Women's, Gender, and Sexuality Studies

The Registrar's Office and Admissions (both copied) will remove the listings.

A gentle reminder that NWCCU does not allow the suspension to remain in place for longer than two years. Please kindly share the notification as appropriate.

Warmly,

Kristina
